**OWNER, SEAHORSE SWIM SCHOOL, INC.  
AMERICAN RED CROSS WATER SAFETY  
INSTRUCTOR TRAINER, VOLUNTEER  
RADIO DJ, KZSC, SANTA CRUZ**

As the owner of Seahorse Swim School, Tiffany's goal is to increase water confidence and safety by ensuring that quality swim instruction is made available to our water loving community. Tiffany has personally taught thousands of individuals to swim and has the ability to connect with her students of all ages, levels and abilities quickly. She holds a Bachelors of Arts degree in Psychology from UCSC with an emphasis on child development, a California State Teaching Credential in Health & Safety and has been a certified EMT for over 10 years.

Tiffany trains, certifies and mentors Water Safety Instructors & Lifeguards in the Monterey Bay area. As an American Red Cross Instructor Trainer since 2000, Tiffany believes that when each student is provided with positive, constructive and corrective feedback they will gain the confidence needed to learn & improve upon their existing skills.

Seahorse Swim School's mission is to increase water confidence and safety and reduce the number of accidental drownings. In 2014, Seahorse Swim School became a local partner with the USA Swimming Foundation, which will offer scholarships to students who qualify in the New Year.

Thursday mornings on KZSC Santa Cruz 88.1fm, you can tune in to hear "DJ Tiffany" playing reggae music on her radio program "Joy in the Morning". "I love connecting with the community with positive music and empowering our swimming students with lifesaving skills; the combination is perfect for me."
